Welcome to GRIT Summer Camp

Dear GRIT Families,

Welcome — or welcome back! This Parent Welcome Kit is your single source for everything you need to prepare your camper for an amazing summer at GRIT.

Our team has worked hard to comply with the latest New Jersey Department of Health and CDC guidelines so that we can deliver a **SAFE, SMART, ACTIVE, and OUTDOOR** summer day camp experience — packed with sports, STEM/STEAM, arts, and the adventures that have made GRIT a Jersey City summer tradition for six years.

This summer, GRIT runs three distinct camps so every camper is grouped with kids their own age and ability: **GRIT Jr. Explorer** for our youngest adventurers (ages 3–5), **GRIT Adventure** for ages 6–9, and **GRIT Adventure X** for our oldest campers (ages 10–13). All three camps share our hands-on MindLab innovation program, with projects that grow more advanced as campers get older.

Unlike other camps, GRIT gives you the **flexibility and optionality** you need: no minimum-day requirements, full-day and half-day options, and extended hours when life calls for them. While other camps open in late June or pack up in mid-August, **GRIT is here all summer long**. Remember — when schools are closed, GRIT is OPEN!

Please read this kit from front to back. It will tell you exactly what to do before your camper's first day, what to pack, how to stay connected all summer, and what to expect day-to-day. And of course, if you have any questions at all, don't hesitate to reach out — we are here to help.

Get ready for a great summer!

Peyton Kay

Founder & Camp Director, THE GRIT Academy

◆ NEW FOR 2026

GRIT now runs **THREE** age-specific camps so your camper is always with peers their own age.

MindLab — our hands-on innovation program — is part of all three camps, with a podcast studio, stop-motion animation, GoPro filmmaking, robotics, apparel design, and fiber arts. Projects scale up in challenge as campers get older.

Meet the Three Camps

GRIT groups campers by age and stage so every child gets activities, coaching, and friendships that fit them perfectly. Here's a quick look at each camp.

GRIT Jr. Explorer **Ages 3–5**

Big adventures for little legs — movement, play, and discovery in a nurturing setting.

- A gentle, structured day built around active play, movement skills, arts and crafts, and water play.
- Lower camper-to-coach ratios and extra hands-on support throughout the day.
- Coaches help apply sunscreen, manage belongings, and ease drop-off jitters.
- Hands-on MindLab projects, introduced at an age-appropriate level for our youngest campers.
- Water Play (weather permitting) on Tuesday and Thursday afternoons (splash pad / Morris Square Park).

GRIT Adventure **Ages 6–9**

The classic GRIT experience — sports, STEM, theme weeks, and citywide adventures.

- A full lineup of sports: gymnastics, parkour/ninja, basketball, tennis, and skateboarding.
- Daily adventures to Jersey City's best parks and fields, with GRIT as the base camp.
- Weekly themed programming and a fabulous Field Day every Friday.
- MindLab innovation projects — podcasting, animation, robotics, and more — woven into the week.
- Water Play (weather permitting) on Tuesday and Thursday afternoons (splash pad / Morris Square Park).

GRIT Adventure X **Ages 10–13**

Where older campers lead, create, and push their limits.

- Everything in GRIT Adventure, leveled up for older campers with more independence and challenge.
- The most advanced MindLab projects — deeper builds in podcasting, filmmaking, robotics, apparel design, and fiber arts.
- Advanced sports coaching and leadership opportunities woven through each week.
- Water Play (weather permitting) on Tuesday and Thursday afternoons (splash pad / Morris Square Park).

LOOKING FOR OUR CIT PROGRAM?

Campers ages 14–15 can apply for the **GRIT Counselor-in-Training (CIT) Program** — a structured leadership internship. It has its own separate application and parent guide; contact the camp office for details.

What to Do Before Camp

To ensure your camper is ready for their first day — and to meet New Jersey Department of Health camp guidelines — please complete the steps below for all three camps.

Step 1 — Sign Your Waivers on the GRIT Member Portal

When you registered, you were asked to sign a series of liability and safety waivers. Please log in to confirm every waiver is signed and your contact and emergency-contact details are correct.

Go to gritsportstraining.com and click “**MEMBER LOGIN**” (bottom-left corner). This opens your personal account in HiSawyer, our registration software, where you can review and complete anything outstanding. If you registered in person, we will email you a waiver link before your camper's first day.

Step 2 — Upload Your Camper's Medical Information

New Jersey requires that every summer camp keep the following on file for each camper:

- **Health & Release Form** — provides your insurance information and authorizes care if your camper is hurt or ill. (Form included at the back of this kit.)
- **Medical History Form** — use the form at the back of this kit, or one from your pediatrician. (Included at the back of this kit.)
- **Immunization / Vaccination Records** — the same standard record you provide to your child's school each year.

Upload these to your Member Portal account. If you have trouble uploading, scan and email them to info@gritsportstraining.com and we will add them for you.

⚠ IMPORTANT

All waivers and medical forms must be completed before your camper's first day. Per New Jersey state requirements, campers cannot be admitted without a completed Health & Release Form and current immunization records.

Step 3 — Confirm Your Camper's T-Shirt Size

Log in to the Member Portal and enter your camper's shirt size so their GRIT camp shirt is ready on day one (more on camp shirts later in this kit).

Step 4 — Download the GRIT Camp App (Bunk1)

Set this up before camp starts so you don't miss a single photo or update. Full instructions are in the “Staying Connected” section of this kit.

Key Contacts & Camp Info

Camp Location

All three camps — GRIT Jr. Explorer, GRIT Adventure, and GRIT Adventure X — are based at:
THE GRIT Academy • 201 Marin Blvd, Jersey City, NJ 07302

How to Reach Us

Camp Is Technology-Free

GRIT camp is a screen-free zone. If a camper brings a phone or gaming device, it must stay in their backpack for the full day. To reach your camper during camp hours, please text the Camp Main Desk at 201-596-6626 and our team will get back to you.

Camp Dates & Daily Hours

GRIT Summer Camp 2026 runs from **June 8th** through **September 3rd**.

Camp runs Monday through Friday. When your child's school closes for the summer, GRIT stays open right up until school starts again — long after most camps have packed up for the year.

Daily Hours by Camp

Camp	Option	Hours

Drop-Off & Pick-Up

- **Standard drop-off:** 8:00 AM – 9:00 AM.
- **Early drop-off:** Available for an additional charge.
- **Extended day/ After Camp Programs:** After 6PM. Pay by the week for the best rate.
- **Sign in & out:** All parents and guardians must sign their camper in and out each day. For everyone's safety, parents and guardians are not permitted inside the camp facilities during camp hours.

Weekly Camp Themes

Every week, camp transforms around a new theme — shaping activities, events, games, and learning across all three camps. Each themed week wraps up with a FAB FRIDAY Program Field Day every Friday: field games in the morning, a pizza lunch, and water play in the park in the afternoon (weather permitting).

PLEASE NOTE

The theme list below is carried over from last summer and the dates are placeholders. **Please confirm the 2026 weekly themes and start dates before this kit is distributed.**

13	August 31 st & September 7 th	Crazy Camp / Staff Appreciation

MindLab — Innovation for Every Camper

MindLab is GRIT's hands-on innovation program, and it's part of **all three camps**. It's where campers create, build, and tell stories — turning summer into real, shareable skills. Every camper takes part; the projects simply grow more advanced and independent as campers get older, so a Jr. Explorer and an Adventure X camper each get a MindLab experience that fits them.

The MindLab Stations

Across the summer, campers explore six creative and technical stations:

MindLab Station	What Campers Do
Podcast Studio	Campers plan, record, and produce podcast episodes — building confidence, voice, and storytelling skills.
Stop-Motion Animation	Frame-by-frame filmmaking that turns big imaginations into short animated movies.
GoPro Filmmaking	Campers capture camp adventures and edit their own action footage.
Robotics	Hands-on building and problem-solving that introduces engineering and coding concepts.
Apparel Design	Campers design their own graphics and gear, exploring creativity and branding.
Fiber Arts	Tactile, creative making — from weaving to textile crafts — that builds patience and focus.

How MindLab Grows With Your Camper

The same stations look different in each camp — here's how the projects progress by age:

Camp	Ages	MindLab Projects
GRIT Jr. Explorer	Ages 3–5	Playful, guided introductions — simple sound and picture projects, building with robotics kits, and tactile making with lots of coaching support.
GRIT Adventure	Ages 6–9	Campers take the lead on their own projects — recording short podcast segments, creating animations, and completing guided robotics builds.
GRIT Adventure X	Ages 10–13	The most advanced, independent work — fuller podcast and film productions, complex robotics challenges, and original apparel and design projects.

MindLab is included in every camp at no additional cost — there's nothing extra to register for or pack.

Staying Connected All Summer

The GRIT Camp App (Bunk1)

Keep up with camp all summer long! GRIT uses the secure Bunk1 platform for a private photo gallery, daily schedules, and camp news. Camp photos are shared only with our camp families.

To get started:

1. Download the **Bunk1** app from the App Store or Google Play, or go to bunk1.com.
2. New parents: tap “**New here? Get Started**” and complete the short form. Returning parents: log in with last year’s email and password.
3. Enter the invitation code: **GRIT2026**.
4. Select access to the Parent Portal. Optional photo bundles give you facial-recognition photo tagging and downloadable, high-resolution pictures of your camper.

Good to know: GRIT does not profit from Bunk1 photo bundles — it’s simply a convenient way to find and save photos of your camper. Relatives can be invited to view photos through the “Invite Family Members” option in the dashboard.

Bunk1 Photo Gallery Features

- **Photo tagging:** upload a profile photo of your camper and Bunk1 will notify you when it detects them in camp photos.
- **Favorites:** tap the heart icon to save your favorite shots for easy year-round access.
- **Share & order:** share photos to social media or email, order prints and digital downloads, or create photo gifts.

Bunk1 support is available 7 days a week during peak season. Call 212-974-9112 or email support@bunk1.com.

How to Check the Daily Schedule

GRIT runs a rich daily activity schedule to keep camp fresh and exciting. The most up-to-date daily schedule and camp news are always posted in the Bunk1 app.

What to Pack

The One-Bag Rule

Everything your camper brings should fit in ONE clearly labeled backpack with two straps (no tote, messenger, or roller bags). One bag means fewer lost items — and we want everything to make it home!

Jr. Explorer exception (ages 3–5): In addition to the backpack, please send a separate, clearly labeled bag with a full change of clothes in a zip-top bag — just in case.

Pack in the Backpack Every Day

- **Refillable water bottle** — labeled with your camper's name in permanent marker. We refill water all day.
- **Packed lunch** — in a container that does not need refrigeration (campers may be at a park at lunchtime). Or order from Simply Gourmet — see the next page.
- **Plenty of snacks** — nut-free only (see below).
- **Lightweight rain poncho** — plastic, not a rain jacket. Light rain won't stop the fun!
- **An extra shirt.**
- **Sun protection** — sunscreen, plus a hat or visor.

Camp Rules for Packing

- **Nut-free environment:** GRIT is strictly nut-free. Please do not pack peanut butter or any nut-based snacks — some campers have serious allergies.
- **Label everything:** if it's labeled, it comes home; if not, it may end up in Lost & Found. Label everything — even your camper!
- **Leave toys at home:** campers have free time, but please don't pack toys or valuables from home.
- **Rainy-day footwear:** rain boots are fine for the wet walk in, but please also pack sneakers so campers can move safely in the gym.

What GRIT Provides

Each camper gets a cubby for their belongings. Every GRIT coach travels with a first-aid kit, a water cooler and extra water bottles, sunblock and bug spray, hand sanitizer and wipes, and a Coach Kit of games (Jenga, playing cards, chalk, bandannas, and more).

Lunch & Snacks

Packing Lunch from Home

Pack a healthy lunch and plenty of snacks in your camper's backpack at drop-off — no separate lunch bags, please. Use a container that does not need refrigeration, since campers may be on an outing or at a park during lunch.

NOTE: Please don't drop off lunch right before lunchtime.

It disrupts the lunch session and camp flow — and your camper may be at a park or field that day.

The *Simply Gourmet* Lunch Option

Need a break from packing lunches? GRIT has partnered with Simply Gourmet, a full-service caterer specializing in children's food service. Highlights:

- Wholesome meals with no artificial ingredients, no growth hormones, no trans fats, and limited GMOs.
- Nut-free — nothing is fried, and produce is brought in fresh daily from area farms.
- Each meal is individually packed in a recyclable cardboard lunch box.
- Order every day or just individual days — you choose.

How to order:

- Place orders at SimplyGourmetLunches.com. New users create an account via the "How It Works" tab.
- **Orders must be placed at least 3 days in advance** of the day you want lunch service. Ordering for the whole month avoids missed days.
- **No Friday orders needed** — Fridays are Fun Friday, and GRIT provides pizza for lunch!
- For text reminders, text "simplygourmet" to 855-481-2615.

Questions about lunch? Contact the GRIT Camp Main Desk at 201-596-6626, or Simply Gourmet directly at 973-686-9699.

FAB FUN FRIDAYS

Every Friday is FAB FUN FRIDAY complete with a PIZZA Lunch on us! Just pack a snack!

Activities, Outdoors & Safety

Camper Groups

Campers are grouped by camp, age, and ability so they're always with peers who match their stage. If your camper is coming with a friend, let us know and we'll do our best to place them on the same team.

Time Outdoors

Summer camp is meant to be lived outdoors. GRIT's facility is our base camp for daily adventures to local parks and fields — Hamilton Park, Enos Jones Park, Gateway Park, Morris Canal Park, and Liberty State Park — weather permitting.

Water Play is on the schedule if its hot! Dress in cloths that can dry quickly!

Across all camps, expect campers to be wet at Friday pick-up — Friday afternoons are water-play days (weather permitting) as well as other days if its hot!

Skateboarding

Skateboarding builds balance and agility, and your camper will learn to skate at camp. Younger campers skate a few times a week; older campers skate more often. Your camper does NOT need to bring a skateboard, helmet, or pads — GRIT provides all the equipment. Campers may bring their own gear, but remember the One-Bag Rule.

Sunscreen

Please apply sunscreen to your camper before camp each day, and pack their labeled sunscreen in the backpack. Coaches remind Adventure and Adventure X campers to reapply at set times, and help apply sunscreen for Jr. Explorer campers on a regular schedule throughout the day.

Rainy Days

Rain or shine, camp goes on — light rain and drizzle won't stop the fun. For heavy downpours, GRIT has age-grouped indoor activities planned across our large multi-room space and two additional indoor spaces nearby. This is why a lightweight rain poncho is on the packing list!

Transportation

As part of camp, campers may travel by camp van/bus or on foot to city and state parks for daily activities. This is covered in the Health & Release Form you'll sign before camp.

Camp Shirts & GRIT Swag

The GRIT camp T-shirt is a prized possession of GRIT alumni. On the first day, your camper receives their camp shirt plus any extras you ordered. We encourage campers to wear weather-appropriate clothing each day; if a camper isn't wearing their GRIT shirt, we'll have them wear a GRIT pinny so our team can keep them safely in sight.

Don't forget: Enter your camper's shirt size in the Member Portal so it's ready on day one.

Want more GRIT gear? GRIT has partnered with Pack for Camp for GRIT-logo shirts, hoodies, hats, water bottles, and more. Order extra camp shirts or browse swag through the GRIT website. Wear them with pride! Ask us for more details!

Frequently Asked Questions

Which camp is right for my child?

Camps are set by age: GRIT Jr. Explorer for ages 3–5, GRIT Adventure for ages 6–9, and GRIT Adventure X for ages 10–13. If your child is on the edge of an age range, contact the camp office and we'll help you choose.

Do you offer flexible scheduling?

Yes. GRIT has no minimum-day requirement. Choose full-day or half-day options, add extended hours, and book the days and weeks that fit your summer.

How do I add extra days or weeks?

Contact us at 201-596-6626 or info@gritsportstraining.com and we'll help you register. Some weeks fill up, but we will do everything we can to accommodate you — and we prioritize remaining spots for our GRIT community first.

Can my camper be with their friends?

Absolutely. Campers are grouped by age and ability within each camp, and we place friends on the same team whenever possible — just let us know when you register.

What if my camper has allergies or a medical condition?

Note all allergies, conditions, and medications on the Health & Release and Medical History forms. GRIT is a strictly nut-free environment. Contact the camp office directly to discuss any specific needs.

Will my child get academic enrichment?

Yes. Literacy, math, and critical-thinking skills are woven into theme-week projects across all three camps — from storytelling to chess — and every camper takes part in MindLab, GRIT's hands-on innovation program, with projects that scale up in challenge as campers get older.

What happens in bad weather?

Light rain won't stop camp. For heavy weather, we run age-grouped indoor activities across our facility and two nearby indoor spaces.

Can I visit my camper during the day?

For everyone's safety, parents and guardians sign campers in and out but do not enter the facility during camp hours. To reach your camper during the day, call or text the Camp Main Desk at 201-596-6626.

Still have questions?

We're here to help make this a great summer. Call or text 201-596-6626, or email info@gritsportstraining.com any time.

Pre-Camp Checklist

Use this checklist to make sure your camper is fully ready for day one. GRIT is about building friendships, learning sports and values, and enjoying the outdoors — a little prep makes it the best summer possible.
